Resposta a Comunicação Interna nº 300/2017/CCNH

Assunto: **Estudo sobre o impacto das saídas de docentes por afastamento**

Prezado diretor do Centro de Ciências Naturais e Humanas Prof. Dr. Ronei Miotto em resposta a CI relacionada ao impacto do afastamento dos docentes do Bacharelado em Física, foi feito um trabalho pelo professor Antonio Alvaro Ranha Neves, levando em conta a porcentagem de créditos assumidos pelos docentes do Bacharelado em Física no cenário atual, documento que está em anexo. Ainda, temos que definir efetivamente quantos docentes poderão sair simultaneamente para afastamento, após esta definição um documento será encaminhado aos conselheiros do ConsCCNH para apreciação até a última reunião ordinária de 2017
